

	<b>QUALITY POLICY STATEMENT</b>	Šifra: PO-01.02
		Verzija: 2.0
		Strana: 1 od 1

The organization **All Natural Foods Ltd** is engaged in the production of dried fruits and vegetables.

The main goal of our organization is to satisfy the requirements and expectations of our customers with our products at the highest possible level and to provide them with the healthy and safe food, while respecting all relevant legislation related to the products and to the conditions of the production, storage and delivery.

The organization **All Natural Foods Ltd** considers as extremely important the constant improvement of the previously mentioned necessary conditions and the training of employees, in order to preserve healthy and safe products. We pay special attention to communication with our suppliers and customers regarding the requirements for the importance of healthy and safe products and the packaging, we are supplied with and the information, that is supplied to them, regarding the finished products.

We are going to make efforts in the production of healthy and safe products and to work on constant improvement of organizational, technological, technical, infrastructural and other conditions regarding food health and safety and on responsible behavior towards the environment.

The fundamental obligation for all members of the organization **All Natural Foods Ltd** is to apply and to work on the improvement of the integrated system adjusted to the following requirements:

***ISO 22000:2005, BRC GLOBAL STANDARD FOR FOOD SAFETY Issue 7 and IFS FOOD Version 6.***

The policy of quality and food safety is highlighted in several places in the organization and it is a topic in internal trainings. The actuality of the policy is periodically reviewed by the top management and is changed, if it is necessary.

**LET EVERY DAY START WITH HEALTHY AND SAFE PRODUCTS WHICH ARE PRODUCED FOR YOU BY**

**ALL NATURAL FOODS Ltd**
